

PUNJAB INFORMATION TECHNOLOGY BOARD

REQUEST FOR QUOTATION (RFQ)

**Supply, Installation and Configuration of Enterprise
Network and Data-Centre Infrastructure across Six
Regional Offices**

RFQ Reference No: PITB/PROC/2026/RFQ-244

Issue Date: 4 June 2026

Estimated Value: PKR 85 Million

**Procurement Method: Request for Quotation (PPRA
Rule 40)**

1. Purpose

The Punjab Information Technology Board (PITB) invites quotations from eligible firms for the supply, installation, configuration and commissioning of enterprise-grade network and data-centre infrastructure across six regional offices, including core and access switching, next-generation firewalls, structured cabling and a centralised network management system, with one (1) year of on-site warranty support.

2. Scope of Supply

The scope includes: (a) supply of OEM-certified core and access switches, routers and next-generation firewalls; (b) rack-mounted server and storage nodes for two data-centre sites; (c) structured cabling and fibre backbone between floors; (d) configuration of VLANs, routing, high availability and centralised monitoring; (e) knowledge transfer to the in-house IT team; and (f) one year of warranty and on-site support with a 24x7 helpdesk.

3. Mandatory Eligibility Requirements

Quotations failing any mandatory requirement shall be rejected.

#	Mandatory Requirement
M1	The bidder must hold a valid ISO 27001 information security management certification.
M2	The bidder must hold a valid ISO 9001 quality management certification.
M3	The bidder must have completed at least two (2) enterprise network or data-centre projects, each of value not less than PKR 30 Million, during the last five (5) years.
M4	The bidder must be registered with the Federal Board of Revenue and hold active taxpayer (ATL) status.
M5	The bidder must furnish a bid security of two percent (2%) of the quoted price in the form of a bank guarantee or CDR from a scheduled bank.

4. Technical Requirements

#	Technical Requirement
T1	All active equipment shall be from a single OEM with the bidder holding a valid partner or reseller authorisation; the bidder should provide OEM certifications for the assigned engineers.
T2	The bidder should propose a redundant core design with no single point of failure and demonstrate a documented high-availability methodology.
T3	The bidder should provide a centralised network monitoring and management platform with alerting and reporting dashboards.
T4	The bidder should commit to a 24x7 helpdesk with a four (4) hour on-site response time for critical incidents during the warranty period.
T5	The bidder should provide a structured knowledge-transfer and training programme for the PITB network operations team.

5. Evaluation Criteria

Criterion	Weight
Relevant network / data-centre project experience	30%

Criterion	Weight
Technical compliance of proposed equipment	30%
Support, warranty and SLA commitments	20%
Financial quotation	20%

6. Key Dates and Submission

Milestone	Date
Last date for written queries	16 June 2026
Quotation submission deadline	26 June 2026, 03:00 PM
Quotation opening	26 June 2026, 03:30 PM
Quotation validity period	90 days

Quotations shall be submitted in a single sealed envelope, one original and one copy, addressed to the Director (Procurement), Punjab Information Technology Board, Arfa Software Technology Park, Lahore.
