

**CAPITAL DEVELOPMENT AUTHORITY  
ISLAMABAD**

**INVITATION FOR BIDS (TENDER)**

**Design, Supply, Installation and Civil Works for a  
City-Wide Safe-City CCTV Surveillance Network and  
Command & Control Centre**

**Tender No: CDA/SC/2026/IFB-309**

**Issue Date: 27 May 2026**

**Estimated Cost: PKR 2,200 Million**

**Procurement Method: Single Stage – Two Envelope  
(PPRA Rules 2014)**

# 1. Project Description

The Capital Development Authority invites sealed bids for the design, supply, installation and associated civil works of a city-wide safe-city surveillance network comprising approximately 1,200 cameras, pole foundations, underground fibre ducting, a redundant fibre backbone, and a central command and control centre with a video wall and analytics. The works include both information-technology integration and substantial civil and electrical works, to be completed within eighteen (18) months.

# 2. Mandatory Eligibility Requirements

Bidders failing any mandatory requirement shall be disqualified.

| #  | Mandatory Requirement                                                                                                                                                |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| M1 | The bidder must be registered with the Pakistan Engineering Council (PEC) in category C-B or higher with relevant electrical and civil works specialisation codes.   |
| M2 | The bidder must hold a valid ISO 14001 environmental management certification covering civil construction activities.                                                |
| M3 | The bidder must demonstrate an average annual turnover of at least PKR 2,500 Million over the last three (3) audited financial years.                                |
| M4 | The bidder must have completed at least one (1) safe-city, surveillance or integrated security project of value not less than PKR 1,500 Million as prime contractor. |
| M5 | The bidder must own or have assured access to civil trenching machinery, boring equipment and pole-installation plant within 50 km of Islamabad.                     |
| M6 | The bidder must hold a valid ISO 27001 information security management certification for the command-and-control data systems.                                       |
| M7 | The bidder must furnish a bid security of PKR 44 Million (2%) in the form of a CDR or bank guarantee.                                                                |

# 3. Technical and Execution Requirements

| #  | Requirement                                                                                                                                  |
|----|----------------------------------------------------------------------------------------------------------------------------------------------|
| T1 | The bidder should submit a detailed methodology covering camera deployment, civil works, fibre ducting and command-centre integration.       |
| T2 | The bidder should provide a CPM-based work programme demonstrating completion within 18 months, including civil-works contingencies.         |
| T3 | Key staff shall include a Project Manager (PEC-registered professional engineer, 15+ years), a Civil Works Lead and a Network/Security Lead. |
| T4 | The bidder should propose a video-analytics platform with face and licence-plate recognition and a redundant storage architecture.           |
| T5 | The bidder should describe its HSE management system for civil works on live public roads, including a traffic-management plan.              |

# 4. Evaluation Criteria

| Criterion                                        | Weight |
|--------------------------------------------------|--------|
| Relevant safe-city / integrated works experience | 30%    |
| Financial capability and turnover                | 20%    |

| Criterion                                | Weight |
|------------------------------------------|--------|
| Construction and integration methodology | 20%    |
| Key personnel, plant and equipment       | 20%    |
| HSE and environmental compliance         | 10%    |

## 5. Key Dates

| Milestone                      | Date                   |
|--------------------------------|------------------------|
| Pre-bid site visit and meeting | 16 June 2026, 10:00 AM |
| Bid submission deadline        | 3 July 2026, 11:00 AM  |
| Technical bid opening          | 3 July 2026, 11:30 AM  |
| Bid validity period            | 90 days                |

Bids shall be submitted in two separate sealed envelopes to the Director (Procurement), Capital Development Authority, Islamabad, under the single stage two envelope procedure as per PPRA Rules 2014.
